

What's on top for learning Term 4

Below are some of the key topics we will be learning about this term that you can talk to your children about. We always love to share the children's learning through SeeSaw. This way, there is a great home and school connection, seeing what the children are doing at school to help create conversations at home around this.

Financial literacy - learning about money.

Little Gardens

Swimming

Writing information reports

Independent and guided reading
Reading for a purpose

Problem Solving

Athletics - Run, Jump & Throw

Water

Measurement & geometry

Te Reo - weather

Manaakitanga towards others
and our environment

Sustainable trail and
Scarecrow Trail

Some highlights from Term 3 in the Year 3-4 syndicate
