

Te Reo Maori and Tikanga

This term we will again be reinforcing school tikanga. This includes not sitting on tables, taking our hats/hoods off inside and greeting others in the mornings.

Alongside speeches, students will be learning to take elements of their pepeha and mihi to greet groups of people and to introduce themselves in te reo when speaking.

Year 7&8 Technology

From rat traps to hand made sausage rolls, from visual art to forensics science, and from enviro projects to sewn masks! Term 3 Tech was a blast!
Check out some of these photos...

SUMMER
BREAK

Early this term we will be sending out information for 2021 Forest Lakes Camp!

It is important we get parent helper numbers early so we can ensure appropriate police vetting has been completed!
