2. The school curriculum is based on the vision, values, principles and key competencies of the New Zealand Curriculum (or Te Marautanga o Aotearoa).
3. School programmes provide students in Years 1–8 with opportunities to learn in all areas of the National Curriculum.
4. There is a focus on the national priority groups of Māori, Pasifika and students with special learning needs in school planning and reporting.
5. Assessment practices enable the engagement, progress and achievement of students to be monitored and reported.
